Dynamic Leadership Portfolio

A portfolio is a purposeful collection of student work that exhibits the student's efforts, progress, and achievements in one or more areas. For each of the six Essentials of Dynamic Leadership, students should select artifacts that demonstrate their progress and development as leaders as a result of completing the project. Artifacts could include such things as photos, newspaper articles, artwork, copies of letters sent or received, certificates, copies of programs, Web sites developed—in short, anything that illustrates the student's accomplishments.

Use this form to apply for national recognition when you have completed all six Essentials of Dynamic Leadership units at either the Leadership Achievement or Leadership Excellence level. Please print or type all information. To each portfolio, attach a copy of the chapter affiliation form to verify membership.

National dues must be **postmarked by March 1** for students to qualify for national recognition. Send the completed portfolio postmarked by April 1 to national headquarters at:
