

Partnership Presentations

The DPI Community Learning and Partnerships Team offers presentations to help schools and districts start and sustain partnership practices that make a real difference.

Here is a list of PowerPoint presentations which you may find helpful.

1. [Fundamentals](#) of Family Involvement
2. What [Parents](#) Want Teachers to Know
3. Using the [Ladder](#) of Support

More presentations will be added as they become available. To schedule a workshop, please contact [Jane Grinde](#).
