

# *Service-Learning Projects in the Slinger Schools*

~A Survey of What's Happening in the Classrooms and Community~

**Teacher Name:**

**Building:**

**Grade Level/Class:**

1. Describe a service-learning project that you've completed in the past **or** are doing this year:
2. What academic skills do students learn in this unit?
3. What community need/service did your class fulfill?
4. What, if any, leadership role did your students take in this project?
5. Were there any reflection activities or assessment of skills at the conclusion of this project? If so, describe these.

Thank you,
