Negative***	68	0.07%	No Receive Date*	10,091	9.89%	Negative***	87	0.09%
Total	102,039		Total	102,039		No Receive Date**	10,091	9.89%
						No Shipped Date****	2,936	2.88%
						Total	102,040	

*Due to high volume of records which had no data in this field (9.89 percent of all records, percentages were derived from a modified total of 91,948 records.

**Due to high volume of records which had no data in this field (9.89 percent of all records) along with a number of records with errant data in the Receive Date field, percentages were derived from a modified total of 91,860 records.

***Negative numbers were generated as a result of the Date Received field containing data which was earlier than the date contained within the Shipped Date field. These records were not included in the total from which percentages are derived.

**** No Shipped Date - Data was absent in 2.88% of all records and not counted in the totals of Shipped Date to Received Date.
